MONEY is the cheapest thing in the world and wheat is the dearest. We have the largest supplies of both, and naturally we export the one which is the cheapest. There is no such accumulation of wheat in the world as that held in Chicago, where it is held out of relation to the world's markets. Our supplies of gold also are more than ample, but they are held out of Bankers' use by law as much as wheat is held out of Bankers' use by speculation. The corner in wheat seems a misfortune, but unless history shall fail to repeat itself, it will prove a blessing in disguise, for the price of cornered commodities always sinks to abnormal cheapness. It is said that the Chicago speculator has bread-eaters by the throat. It is more nearly true that they have him at their mercy, since by eating something besides wheaten bread they could ruin him. Usually such adventures are blocked by their lack of credit. Of this the prospect seems very slight at present, but the connection between the redundancy of the currency, the exports of gold and the holding of wheat out of consumption is something worth considering by those who regard currency reform as something academic.—New York Times.

Cheap Money; Dear Wheat.

Did you ever see a College Professor who believed in anything but a revision of the Tariff downward?—Des Moines Capital.

This is the era of the High School in Kentucky. It will be gratifying to know that several hundred new High Schools will be established in the State this year. Nowhere on earth is education receiving the serious and financial attention than in Kentucky, by a few thousand persons. What we desire is, for a few hundred thousand to systematically push the educational problem and help solve it.

It is argued that women need votes to get proper laws for the protection of their children. We do not see much force in that argument. The male is not so ferocious in these parts as to be dangerous to children, nor is he even indifferent to what happens to them. Men are very ready to take orders as it is from mothers, and even from aunts, in matters that affect the welfare of children. The only laws that women would be likely to pass if they voted, which might fail without their votes, would be laws restraining fathers from spoiling their daughters by over-indulgence. Laws restraining mothers from spoiling their sons by blind adoration can never be passed whether suffrage comes or not.—Life.

THE "INSIDES" OF NELLIE.

Shortly before the close of a city school one of the teachers received the following note from the fond mother of one of the pupils:

"Dear Sir: you will please not learn my children any thing more about fizzology stuff. I don't think it is purity to talk to children about their insides and skeletons and bonz. And I won't have it. I want my children raised nice. You can learn them to speak grammar and talk correct, but I don't desire them to know such things as bonze. Please let them come home before the fizzology class begins to talk."

NELLIE'S MOTHER.

Stop Women And Consider

This Fact—that in addressing Mrs. Pinkham you are confiding your private ills to a woman—a woman whose experience with women's diseases covers twenty-five years. The present Mrs. Pinkham, daughter-in-law of Lydia E. Pinkham, was for years under her direction, and has ever since her decease continued to advise women.

Many women suffer in silence and drift along from bad to worse, knowing well that they ought to have immediate assistance, but a natural modesty causes them to shrink from exposing themselves to the questions and probable examinations of even their family physician. Such questioning and examination is unnecessary. Without cost you can consult a woman whose knowledge from actual experience is great.

MRS. PINKHAM'S STANDING INVITATION:

Women suffering from any form of female weakness are invited to promptly communicate with Mrs. Pinkham at Lynn, Mass. All letters are received, opened, read and answered by women. A woman can freely talk of her private illness to a woman; thus has been established this confidence between Mrs. Pinkham and the women of America which has never been broken. Never has she published a testimonial or used a letter without the written consent of the writer, and never has the company allowed these confidential letters to get out of their possession, as the hundreds of thousands of them in their files will attest.

Out of the vast volume of experience which Mrs. Pinkham has to draw from, it is more than possible that she has gained the very knowledge needed in your case. She asks nothing in return except your good will, and her advice has helped thousands. Surely any woman, rich or poor, should be glad to take advantage of this generous offer of assistance. Address Mrs. Pinkham, care of Lydia E. Pinkham Medicine Co., Lynn, Mass.

Commodore Pen R. Poyntz acted as time-keeper in the motor boat races at Portsmouth Monday.

Miss Leslie Mennen Turney, daughter of Mr. and Mrs. Amos Turney, and Mr. Louis Webb Taylor will wed at Paris October 20th.

J. de P. Oosthuizen of Transvaal, South Africa, has matriculated in the College of Agriculture of State University, Lexington. Mr. Oosthuizen is sent to State University by his Government to make a study of tobacco and cotton raising and Southern agriculture in general. He holds a scholarship from his Government, with £200 pay for three or four years while he is pursuing his studies in this country.

Avoid Danger

When you are sick, or suffering from any of the troubles peculiar to women, don't delay—take Cardui, that well-known and successful remedy for women. Thousands of women have used Cardui and been benefited. Why not you? Don't take any chances. Get Cardui, the old, reliable, oft-tried remedy, for women of all ages.

TAKE CARDUI

It Will Help You

Mrs. Lurania Morgan, Sneedville, Tenn., writes: "For ten years I suffered with the turn of life, and tried many remedies without relief. I had pains all over my body and at times I could not sit up. At last I took Cardui and now I can do my housework. I have told many ladies about Cardui and recommend it to all sick women." Try it.

SOME POOL FIGURES

The returns received at the Burley Tobacco Society headquarters at Winchester September 29th showed the following counties led in the number of acres of tobacco pooled: Harrison, 7,893; Mason, 6,570; Bracken, 6,650; Owen, 6,444; Scott, 6,308; Grant, 5,203; Fleming, 4,835; Franklin, 4,026; Nicholas, 3,475. Total for the nine counties, 51,804 acres.

The following counties have a small acreage unpooled: Robertson, 34; Gallatin, 154; Kenon, 301; Harrison, 482; Bracken, 542; Grant, 559.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.

NATURE'S WARNING.

Maysville People Must Recognize and Heed It.

Kidney ills come quietly—mysteriously. But nature always warns you. Notice the kidney secretions. See if the color is unhealthy— if there are settlements and sediment. Passages frequent, scanty, painful. It's time then to use Doan's Kidney Pills. To ward off Bright's disease or diabetes. Doan's have done great work in this locality. James W. Cottingham, East Second street, Vanceburg, Ky., says:

"About two years ago my back became lame and I had almost constant pain across my loins. It was all I could do to drag one foot after another and I was actually too weak to work. The kidney secretions were scanty and I had a difficulty in passing them. I was laid up at one time for a month and could not leave the house. When Doan's Kidney Pills were recommended to me, I procured a box and began their use. My kidneys were soon restored to their normal condition. I became strong and have had no trouble since. It gives me the greatest pleasure to recommend Doan's Kidney Pills to other persons suffering from kidney complaint."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.
